

The 48th Annual VIRGINIA CITY GRAND PRIX

April 27 & 28, 2019

Yeah... Like
the Sportster.

But racing
VC???

It's Hooligan time at the VCGP!!!

For those who enjoy making bold choices, a new racing opportunity awaits as the Virginia City Grand Prix debuts the **Hooligan** class.

In the spirit of "Run What Ya Brung", this class is about having crazy fun on machines that were never intended to race off-road (especially the VCGP!).

Bike must be safe (tech inspection!), minimum 125cc and not a purpose-built off-road or dual-sport bike. Do your best to amaze us with a surprising ride.

You'll be racing on a shorter (8-mile) "less rocky" loop, so that will at least give you some hope...

Someone is going to go down in history as the champion of the first ever VCGP Hooligan race. Might that be you?

Visit www.vcgp.com for event details and registration information.
